⁷And **war broke out in heaven**: Michael and his angels fought with the dragon; and the dragon and his angels fought,

⁸but they did not prevail, nor was a place found for them in heaven any longer.

⁹So the great dragon was cast out, that serpent of old, called the Devil and Satan, who deceives the whole world; he was cast to the earth, and his angels were cast out with him.

GENESIS 1:26

²⁶Then God said, “Let Us make man in Our image, according to Our likeness; let them have dominion over the fish of the sea, over the birds of the air, and over the cattle, over all the earth and over every creeping thing that creeps on the earth.”

GENESIS 1:27–28

²⁷So God created man in His own image; in the image of God He created him; male and female He created them.

²⁸Then God blessed them, and God said to them, “Be fruitful and multiply; fill the earth and subdue it; have dominion over the fish of the sea, over the birds of the air, and over every living thing that moves on the earth.”

GENESIS 5:1–2

- ¹This is the book of the genealogy of Adam. In the day that God created man, He made him in the likeness of God.
- ²He created them male and female, and blessed them and called them Mankind in the day they were created.

MATTHEW 19:4–6

⁴And He (*Jesus*) answered and said to them, “Have you not read that He who made them at the beginning ‘made them male and female,’

⁵and said, ‘For this reason a man shall leave his father and mother and be joined to his wife, and the two shall become one flesh’?

⁶So then, they are no longer two but one flesh.

Therefore what God has joined together, let not man separate.”

Students who reject their biological sex are skyrocketing in Montgomery County Public Schools (MCPS), increasing almost 11-fold since the school introduced a gender support form in 2019, according to self-reported data.

Political Pressure & Same Sex Relations

With a population that topped one million in 2020 and a median family income of \$111,737 at the 2010 census, Montgomery County, Maryland lies just north of Washington, D.C. and is “Maryland’s largest school district.” Here in this wealthy suburb of the nation’s capital, it seems the Left’s fixation on gender anarchy is troubling the youth.

The Washington Stand

<https://washingtonstand.com/commentary/transidentifying-students-increase-991-over-two-years-in-wealthy-dc-suburb>

Political Pressure & Same Sex Relations

What we do know is that there has been a rapid increase in reported cases of students denying their biological sex, corresponding with a social fad and school district endorsement in their Guidelines for Student Gender Identity.

The Washington Stand

Political Pressure & Same Sex Relations

According to those guidelines, teachers may not notify parents that their child has filed a gender support form unless “the family is supportive of the student.”

Family support is determined according to the gender support form, which asks students to specify parental support on a scale of 0-10.

The Washington Stand

<https://washingtonstand.com/commentary/transidentifying-students-increase-991-over-two-years-in-wealthy-dc-suburb>

Political Pressure & Same Sex Relations

MCPS's policy is not only calculated to encourage students to question or deny their gender identity, but also to drive a wedge between them and their parents, isolating them so that they only recognize the affirming, manipulative counsel of the school.

EPHESIANS 5:31-33

³¹“For this reason a man (*Greek Masculine Gender*) shall leave his father and mother and be joined to his wife (*Greek Feminine Gender*), and the two shall become one flesh.”

³²This is a great mystery, but I speak concerning Christ and the church.

³³Nevertheless let each one of you in particular so love his own wife as himself, and let the wife (*Greek Feminine Gender*) see that she respects her husband (*Greek Masculine Gender*).

ROMANS 1:18–20

¹⁸For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who suppress the truth in unrighteousness,

¹⁹because what may be known of God is manifest in them, for God has shown it to them.

²⁰For since the creation of the world His invisible attributes are clearly seen (*General Revelation*), being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse

Political Pressure & Same Sex Relations

ROMANS 1:21-23

²¹because, although they knew God, they did not glorify Him as God, nor were thankful, but became futile in their thoughts, and their foolish hearts were darkened.

²²Professing to be wise, they became fools,

²³and changed the glory of the incorruptible God into an image made like corruptible man—and birds and four-footed animals and creeping things.

Political Pressure & Same Sex Relations

ROMANS 1:24-25

²⁴Therefore God also gave them up to uncleanness, in the lusts of their hearts, to dishonor their bodies among themselves

²⁵who exchanged the truth of God for the lie, and worshiped and served the creature rather than the Creator, who is blessed forever. Amen.

Political Pressure & Same Sex Relations

ROMANS 1:26-27

²⁶For this reason **God gave them up to vile passions**.
For **even their women exchanged the natural use for what is against nature.**

GENESIS 3:1, 13

¹Now the serpent was more cunning than any beast of the field which the LORD God had made. And he said to the woman, “Has God indeed said, ‘You shall not eat of every tree of the garden’?”

¹³And the LORD God said to the woman, “What is this you have done?” The woman said, “The serpent deceived me, and I ate.”

On New Year's Eve 2019, health officials from China alerted the World Health Organization of a new form of pneumonia in the city of Wuhan, a megacity in the Central China region.

A few days later, health officials announced they had identified a new strain of virus from the coronavirus family.

It was labelled "2019-nCoV," more commonly known as COVID-19, or the coronavirus.

The number of cases exploded in China, and then Italy and Spain were hit hard.

The first COVID-19 death in the United States was on February 29, 2020.

The US eventually surpassed China as the country with the most confirmed cases. New York City became the global epicenter.

New phrases and concepts were injected into our vocabulary as *social distancing* and *sheltering in place* became the vernacular.

Breathing masks became as common as cell phones, though the demand made them scarce early on.

Signs with the number 6 lined the streets, reminding people to keep a distance of six feet from others to help prevent the spread of the disease.

There were also serious concerns about the *mental* health of citizens worldwide as billions were virtually banned from outside contact for weeks on end.

COVID-19, also called the Coronavirus, began in 2019 and is still active.

Mission and Priorities

WHO's overarching mission is "attainment by all peoples of the highest possible level of health."¹ It supports its mission through activities such as:

- Providing technical assistance to countries,
- Setting international health standards and providing guidance on important health issues,
- Coordinating and supporting international responses to health emergencies such as disease outbreaks
- Promoting and advocating for better global health.

Political Pressure & Global Health Care

WHO's overarching objective for its work during the 2019-2023 period has been "ensuring healthy lives and promoting well-being for all at all ages." In pursuit of this objective, it has been focusing on three strategic priorities (the "triple-billion targets"):³

- Helping 1 billion more people benefit from universal health coverage;
- Ensuring 1 billion more people are better protected against health emergencies; and
- Helping 1 billion more people enjoy better health and well-being.

The longer that COVID-19 and its variant strains have persisted, the more normal it has become for governments to extend their emergency powers.

At the same time, globalists have stepped up their calls for a great reset and reinventing the way government is done.

People everywhere are becoming conditioned to the idea that increased government authority, coupled with a globalized approach to governance, are the answers to resolving the world's problems.

Dr. David Jeremiah:

Exactly what are pandemics, and what does the Bible have to say about them?

The word *pandemic* did not show up in our dictionaries until 1853 to describe an outbreak of disease that exceeds an epidemic.

The Latin prefix *pan* means “all.” The root term *demic* comes from the word *demotic* from which we get *democracy*. It means “belonging to the people.”

A pandemic is something that belongs to the whole population of earth.

David Jeremiah, *Where Do We Go From Here?* (Nashville, TN.: W. Publishing Group, 2021), 52.

Political Pressure & Global Health Care

By contrast, the prefix *epi* is a Greek term meaning “upon” or “at” or “near.”

An *epidemic* is an illness that spreads among the people, but a *pandemic* spreads to people everywhere. Since these are modern words, they do not appear in the Bible.

There are six ancient words in the original Hebrew and Greek texts of the Bible that describe what we would call a pandemic. The Bible uses those words 127 times.

David Jeremiah, *Where Do We Go From Here?* (Nashville, TN.: W. Publishing Group, 2021), 52.

Stock of Crude Oil Strategic Petroleum Reserve

In December 1975, with memories of gas lines fresh on the minds of Americans as a result of the 1973 OPEC oil embargo, Congress established the **Strategic Petroleum Reserve (SPR)**.

The law was designed “to reduce the impact of severe energy supply interruptions” such as that caused by the embargo.

President Biden announced steps to replenish the *Strategic Petroleum Reserve-SPR*, “likely after FY2023”, and in my opinion most likely after the 2024 elections.

President Biden’s gamble to deplete the SPR in order to fight high oil prices may not hurt him at all.

Of course, if for some reason we had a true supply emergency and found ourselves needing that oil, it would be looked upon as a terrible decision.

Introduction

2021 was the most antisemitic year in the past decade, according to the annual Antisemitism Report of 2021 by the World Zionist Organization (WZO) and the Jewish Agency (JAFI).

While no Jews were killed in antisemitic attacks in 2021, the report found an average of 10 antisemitic incidents per day during the year.

Almost 50 percent of all antisemitic incidents in 2021 took place in Europe, but Canada and Australia also recorded substantial increases in antisemitism in 2021 over 2020.
