Genesis 11:1-4

1 Now the whole earth used the same language and the same words. 2 It came about as they journeyed east, that they found a plain in the land of Shinar and settled there. 3 They said to one another, "Come, let us make bricks and burn them thoroughly." And they used brick for stone, and they used tar for mortar. 4 They said, "Come, let us build for ourselves a city, and a tower whose top will reach into heaven, and let us make for ourselves a name, otherwise we will be scattered abroad over the face of the whole earth."

Genesis 11:5-7

5 *The Lord came down to see the city and the tower which the sons of men had built.*

6 *The Lord said, “Behold, they are one people, and they all have the same language. And this is what they began to do, and now nothing which they purpose to do will be impossible for them.*

7 *“Come, let Us go down and there confuse their language, so that they will not understand one another’s speech.”*

Genesis 11:8-9

8 So the Lord scattered them abroad from there over the face of the whole earth; and they stopped building the city.

9 Therefore its name was called Babel, because there the Lord confused the language of the whole earth; and from there the Lord scattered them abroad over the face of the whole earth.

Genesis 11:6

The Lord said, “Behold, they are one people, and they all have the same language. And this is what they began to do, and now nothing which they purpose to do will be impossible for them.”

Genesis 8:21

The Lord smelled the soothing aroma; and the Lord said to Himself, “I will never again curse the ground on account of man, for the intent of man’s heart is evil from his youth; and I will never again destroy every living thing, as I have done.[emphasis mine].

John Lennon

... imagine a time when there will be “no countries,” “no religion,” “no heaven,” “no hell,” “no possessions,” everyone “living for today,” and the world “as one.”

Song “Imagine”

Henry Steele Commager, cited in *The New World Order*, page 147

“Just as we know, or should know, that none of our domestic problems can be solved within the artificial boundaries of the states, so none of our global problems can be solved within the largely artificial boundaries of the nations.”

David Rockefeller, cited in *Memoirs*, page 405.

“Some even believe we are part of a secret cabal working against the best interests of the United States, characterizing my family and me as 'internationalists' and of conspiring with others around the world to build a more integrated global political and economic structure--one world, if you will. If that's the charge, I stand guilty, and I am proud of it.”

Humanist Manifesto II (1973)

We deplore the division of humankind on nationalistic grounds. We have reached a turning point in human history where the best option is to transcend the limits of national sovereignty and to move toward the building of a world community... a system of world law and world order based upon transnational federal government

Humanist Proselytizing

“Education is thus a most powerful ally of Humanism, and every public school is a school of Humanism. What can the theistic Sunday-schools, meeting for an hour once a week, and teaching only a fraction of the children, do to stem the tide of a five-day program of humanistic teaching?”

Charles Francis Potter, *Humanism: A New Religion* (New York: Simon and Schuster, 1930), 128

“To achieve world government, it is necessary to remove from the minds of men their individualism, loyalty to family tradition, national patriotism, and religious dogmas.”

SOURCE: George Brock Chisholm, First Director of the World Health Organization (WHO), Speech, Conference on Education, Asilomar, California, September 11, 1954

Humanist Proselytizing

“Every child in America entering school at the age of five is mentally ill because he comes to school with certain allegiances to our founding fathers, toward our elected officials, toward his parents, toward a belief in a supernatural being, and toward the sovereignty of this nation as a separate entity. It's up to you as teachers to make all these sick children well by creating the international child of the future.”

Chester M. Pierce, Harvard psychiatrist, speaking as an expert in public education at the 1973 International Education Seminar.

A New Pledge of Allegiance?

“I pledge allegiance to the flag and my constitutional rights with which it comes. And to the diversity, in which our nation stands, one nation, part of one planet, with liberty, freedom, choice and justice for all.”

*Globalist Pledge of Allegiance in U.S.
School, Boulder High School, October
2007, Kerby Anderson*

Multiculturalism

American Exceptionalism?

“I believe in American exceptionalism, just as I suspect that the Brits believe in British exceptionalism and the Greeks believe in Greek exceptionalism.”

Do Children Belong to Their Parents?

“We have never invested as much in public education as we should have because we've always had kind of a private notion of children. Your kid is yours and totally your responsibility. We haven't had a very collective notion of these are our children. So part of it is we have to break through our kind of private idea that kids belong to their parents, or kids belong to their families, and recognize that kids belong to whole communities.”

Management by Crisis

“You never let a serious crisis go to waste. And what I mean by that it’s an opportunity to do things you think you could not do before.”

Gaia Hypothesis

“According to the Gaia Hypothesis, we are parts of a greater whole. If we endanger her, she will dispense with us in the interest of a higher value—that is, life itself.”

Vaclav Havel, “What the World Needs Now,” *New Age Journal* (September/October 1994): 162; quoted in William Grigg, *Freedom on the Altar* (Appleton, WI: American Opinion, 1995), 161.

Gaia Hypothesis

"What happened in **Haiti** could happen to anywhere in the Caribbean because all these island nations are in peril because of global warming... When we see what we did at the climate summit in Copenhagen, this is the response, this is what happens, you know what I'm sayin'?"

Gaia Hypothesis

According to Al Gore,
“we must make the rescue
of the environment the
central organizing principle
for civilization.”

Al Gore, *Earth in the Balance* (New York: Houghton Mifflin, 1992), 269.

Gaia Hypothesis

“In searching for a new enemy to unite us, we came up with the idea that pollution, the threat of global warming, water shortages, famine and the like would fit the bill...”

Alexander King and Bertrand Schneider,
The First Global Revolution (New
York: Pantheon, 1991), 115.

An Unknowable Constitution?

According to staff writer for The Washington Post and MSNBC Contributor Ezra Klein, “The issue with the Constitution is that the text is confusing because it was written more than 100 years ago and what people believe it says differs from person to person and differs depending upon what they want to get done.”

A Flawed Document?

Obama described the U.S. Constitution as having ‘deep flaws’ during a September 2001 Chicago public radio program adding that the country’s Founding Fathers had ‘an enormous blind spot’ when they wrote it. Obama also remarked that the Constitution ‘reflected the fundamental flaw of this country that continues to this day.’”

Charles P. Schleicher observed, “There are those who believe that only a universal religion to which men are fervently devoted, one which unites men in devotion to a single god and in a common brotherhood, will serve to overcome divisions among men and the worship of the secular nation-state.”

Charles P. Schleicher, *Introduction to International Religions* (New York: Prentice-Hall, 1953); quoted in Pat Robertson, *The New World Order* (Dallas: Word, 1991), 157-58.

“...one of the mistakes that human beings make
is believing that there is only one way... We don't
accept that there are diverse ways of being in the
world; that there are millions of ways to be a human
being. And many ways...many paths to what you
call God. That her path might be something else
and when she gets there she might call it the light.
But her loving, and her kindness, and her generosity
brings her to the...same point that it brings you...

...It doesn't matter whether she called it
'God' along the way or not...There couldn't
possibly be just one way!...There couldn't
possibly be only one way with millions of
people in the world!...You think...if you are
somewhere on the planet and you never hear the
name of Jesus but yet you live with a loving
heart. You lived as Jesus would have had you to
live. You lived for the same purpose as Jesus
came to the planet to teach us all, but you are in
some remote part of the earth and you never
heard the name of Jesus. You cannot get to
Heaven...?"

Evangelicals and Catholics Together

Emergent: Ecumenism

“A goal for evangelicals in the postmodern world is to accept diversity as a historical reality, but to seek unity in the midst of it. This perspective will allow us to see Catholic, Orthodox, and Protestant churches as various forms of the true church-all based on apostolic teaching and authority, finding common ground in the faith expressed by classical Christianity.”

Robert Webber, *Ancient Future Faith*, 85
